

# The Proper Music Quiz

The quiz will contain music bridging the years. We are delighted to announce that our guest presenter will be **Graham Jones**. A co-founder of Proper Music Distribution, he has spent 32 years travelling the UK selling to independent record shops. His book **Last Shop Standing: Whatever Happened to Record Shops?** was turned into a film documentary and featured appearances from **Paul Weller and Johnny Marr**. It has been shown on SKY TV more than 30 times. This month [September] sees the publication of his sequel **The Vinyl Revival and the Shops That Made it Happen**. Graham will be sharing his anecdotes in a talk that will take place during the evening in which he says hilarity is guaranteed.
